

WEBINAR

Find value in sustainable supply chains

26 May 2022

This May, journalist and presenter Nadine Dereza hosted our panel of experts to discuss practical actions you can take to build a more sustainable supply chain that creates value for your business.

Catch up on demand to hear the panel discuss:

- understanding your changing supply chain
- social and reputational issues
- energy costs and optimisation
- reporting, regulation and tax issues

Here's 12 actions you can work through to find and create value as you focus on achieving a sustainable supply chain

If you'd like to chat about any of the issues covered in the webinar, get in touch with our panel
