

The Television Podcast from RTS London

Welcome to the launch of The Television Podcast from RTS London.

In a packed first edition of this new monthly podcast, hosts Andrew Eborn and Nadine Dereza discuss two big upcoming TV events: the Eurovision Song Contest with Paddy O'Connell and Daniel Rosney, and the King's Coronation with Tami Hoffman. We get a steer from Barb Audiences' Matt Laycock on the potential ratings for both. Then, Janine Gibson and Roger Bolton review some of the big media stories and we review May's TV highlights with Frances Taylor.
